Eastenders alien naked sex romp on UFO shock

A leading clairvoyant claimed to have witnessed an amazing sex orgy involving stars of TV’s “Eastenders”.

SPECIAL DAY
And she claimed to have watched as stars from the hit soap opera danced naked on board an alien space ship before making love to creatures from another planet.

“They danced naked around a glowing green light as the spaceship hovered miles above the Earth’s surface”, she revealed.

MOST POPULAR
Later, a beautiful alien girl appeared and “Eastenders” stars were forced to take part in kinky sex acts.

BRIDE TO BE
The BBC were today making no comment on the sex allegations. However clairvoyant Mrs Ethel Gubbins later said that she may have been mistaken.

Cross the SNOOKER BALLS and win a Game of Snooker

All the balls have been obliterated from the snooker table pictured on the right. Using your skill and judgement together with information provided, make a cross on the table where you think the exact centre of each ball is.

Remember there are 22 balls in total, although some may have already been potted. Mark each cross with the following letters to indicate the colour of the ball: RE—red, YE—yellow, GR—green, BR—brown, BU—blue, PI—pink and BA—black. Mark the cue ball with the letters CU. If you think a ball has been potted, simply make one less cross on the table.

Whoever pinpoints the exact centre of every ball on the table will win our star prize—a FREE game of snooker courtesy of the Central Snooker Club, Newcastle upon Tyne. And for the six closest runners up there's a fantastic piece of billiard chalk. Each entry is allowed only 22 crosses (one for each ball). Send your completed coupons to: Viz Comic Cross The Snooker Balls competition, Viz House, 16 Lily Crescent, Newcastle upon Tyne, NE2 2SP, to arrive by no later than 4th July 1986.

In the event of there being no outright winner, we'll just forget about the first prize.

Conditions: Dry and smokey.

DONKEYS
So there's still a terrific chance for all of you to win our first prize—a super packet of Sugar Puffs. And remember, we're giving away stylish pairs of rubber kitchen gloves to the runners up. All you have to do is send a photograph of your bottom, taken in a photo booth, with your name and address written on the back. Send it to Viz Comic Bottom Competition, Viz House, 16 Lily Crescent, Newcastle upon Tyne NE2 2SP, to arrive by no later than 4th July 1986. And if yours is one of the lucky bottoms drawn out of the hat by former footballer Trevor Brooking, one of our fantastic prizes will be yours! Since his last sacking Roger has been finding it difficult getting back into television, but he’s found some work doing a line TV commercial.

Ah, at last. You’re rather late, Roger.

Sorry Bob, I’ve had a touch of the squirts. Must have been that curry last night.

Briefly, this is our product. It’s a new, tasty, nutritious breakfast cereal. We call ‘golden sunflakes’.

Hmm... I’m not too happy with the name... why don’t we go for something a bit more lively?

Yes, quite! Roger, I’d like you to meet our client, Mr. Hollingsworth of the sunbaked cereal co. You must forgive Roger—he has quite a sense of humour!

Hi, Roger Mellie.

Hello.

What about ‘fuckabix’?

Oh God!

Can we get on with it Roger? We’re on air in ten minutes. Have you looked at the script?

Hi folks, I’m Roger Mellie, and I eat this new golden bugger wheat stuff, etc. Who needs a script?

No no no. You just sit at this table, pick up a spoonful of cereal and smile. The soundtrack has already been recorded.

Yeah yeah. Yeah, no problem Bob.

Right. Let’s try a quick rehearsal.

Okay... stand by Roger... 3-2-1... action!

Okay, stand by everyone... 3-2-1... cue Roger... and action!

Listen Roger. You don’t eat the cereal! This is polystyrene! It’s a prop!

Right you are Bob! I’m with you.

Just hold the spoon up and smile, okay? Christ! We’re on air in two minutes.

Okay studio. On air in five seconds... cue Roger... cue soundtrack. 3-2-1... action!

BLOAAARGH!

At 60 she is the most popular monarch in British history. The longest reigning since Queen Victoria. The most loved, respected and admired lady in the world. She is of course our noble Queen.

Despite her sixty years she remains attractive. More so than many women half her age. Many of today's young girls must enter beauty competitions wishing that they had a fraction of the Queen's charm, style and good looks. In fact, to look at her you wouldn't think she was 60. She looks more like 25.

Remarkable

Her reign has been long and victorious. Even before she came to the throne the nation was indebted to this remarkable lady. For as a wartime services volunteer the young Princess Elizabeth almost single-handedly saved London from the German blitz.

Glorious

There can be little doubt that this truly wonderful lady has the most difficult job in the world. Harder than being an astronaut or deep sea diver. Yet over her glorious 34-year reign she has performed her duties to perfection, far better than anyone else could have done. Shaking hands, visiting foreign countries, talking to lots and lots of people. Often being in two places at once, but always finding time to stop and talk to old ladies.

Charming

But as well as her charm the Queen has nerves of steel, as she showed during a recent visit to a foreign country. Suddenly, her hat blew off. A whole nation held its breath. Millions of TV viewers around the world looked on in silence. Calmly, she caught it, and put it back on her head.

Indestructible

The security hazards of public life have increased many fold in recent years, but the Queen never gives a thought to her personal safety. Indeed, she isn't scared of anything. She would probably have panicked. But not our Queen. "Get out of here at once!" she calmly told the man who was later arrested. He was one visitor who definitely wouldn't be going back to Buckingham Palace in a hurry!

Cameras cannot do her justice

Despite competition from Princess Diana the Queen remains Britain's best dressed woman. Whether in a flowery hat or yellow coat, a sparkling evening gown or yellow coat, she always steals the show. Top photographers all agree that their cameras simply cannot do justice to this fantastic woman.

Brilliant

And like those children we all love the Queen. She is absolutely brilliant, and in this her sixtieth year, we raise our hats and our glasses in wishing her a further one hundred and sixty marvellous years ruling over us.

In this uncertain world in which we live, the possibility of a nuclear confrontation is always with us. But if the holocaust did materialise, how would it affect your golf?

Well fear not; the end of civilization as we know it need not necessarily mean premature retirement to the clubhouse for the keen golfer. A post armageddon golfer can still improve his game... even in the depths of a nuclear winter!

Here are the answers to the questions you will be asking:

“What do I do when a nuclear warning is given?”

If a major warning is given, you can bet your life that the sound of moaning from thousands of weekend golfers will rival the big bang itself! Just when you're looking forward to a brisk jaunt around the fairways you have to return to the wife and kids! But it really is safer to return indoors.

“Can I practise in my fallout shelter?”

Obviously conditions in your family refuge room will be pretty cramped, so driving and pitching will, I'm afraid, be rather impractical. But there's no reason why you can't fix up a small practice putting area to while away the time.

“When is it safe to leave the fallout shelter?”

It should be safe enough to leave your refuge room after a few days, and keen enthusiasts should have little difficulty in “getting out of the bunker”(!). Naturally your wife, if she's still alive, may object to your desire for a round of golf at this time, but remember, for your game to improve a constant routine of continuous practice is vital. (Also, remember to dump any dead relatives outside the shelter on your way out).

“Will radioactivity affect my game?”

If you find that it is taking you one or two shots more to reach the green than is usual, your game may have become 'radioactive'. Here are some tell-tale signs of a 'radioactive' game:

LOSS OF FINGERS
After a nuclear explosion you may find that some of your fingers have dropped off. This will almost certainly affect your grip.

LOSS OF VISION
If you cannot see anything at all then you may have been blinded by the nuclear blast. This will almost definitely hinder your ability to judge distances accurately.

GROWTH OF A SECOND HEAD
There is nothing more annoying for the amateur golfer than someone looking over his shoulder when he attempts to play a difficult tee shot. Unfortunately, it happens all too often. However, if you fail to recognize this face as a friend or partner while on your first post nuclear outing round the fairways, then you may have grown a second head. This is a particularly annoying side effect of radiation sickness and is unlikely to help improve your performance. In this case two heads are certainly not better than one!

In the event of a nuclear attack should I return to the clubhouse or should I carry on with my game?

If the nuclear weapon has landed directly on the golf course, there is little point in carrying on with your game. It is most likely that your clubs will have melted, and you yourself will have become a charred lump of tissue indistinguishable from a flagpole. If you do survive, you should return to the clubhouse which, incidentally, may have taken up a new position some miles from the golf course due to the aforementioned hurricane-like blast.
DAMN! I'VE MIS-CUED!

I CANT KEEP MY EYES OFF THAT ATTRACTIVE NEW BARMAID SHE'S BEGINNING TO AFFECT MY CONCENTRATION

WOULD YOU MIND TRYING TO KEEP THE BALLS ON THE TABLE, PAL?

SORRY MATE, I WAS DISTRACTED

Since losing his job at the local factory young Mick Sidebottom had spent two unhappy years on the dole. Lonely and disillusioned with life he whiled away the hours in billiard halls and at his local pub where he had become undisputed champion of the pool table. But the long and uneventful evenings spent playing pool had recently been brightened up by the arrival of an attractive new barmaid, Lucy Jones.
MAYBE IF I BUY ANOTHER DRINK THAT BARMAID WILL SERVE ME THIS TIME

Later...

But...

YES SIR, CAN I BE OF ASSISTANCE?

OH...ERM...J-J-JUST ANOTHER GLASS OF LEMONADE PLEASE.

By closing time Mick had come up with a plan.

SHE SHOULD BE LEAVING ANY MINUTE NOW. I JUST HOPE THIS WORKS.

AHHH MY ANKLE!

IT'S WORKING PERFECTLY

As Lucy approached Mick collapsed dramatically.

EXCUSE ME, DARLING. CAN I OFFER YOU A LIFT?

THAT'S VERY KIND OF YOU.

OH NO! WHERE DID HE COME FROM?

Lucy was driven away in the stranger's car.

MAYBE YOU SHOULDN'T DRINK SO MUCH IN FUTURE, CHUM. HO HO HO!

THAT'S VERY KIND OF YOU.

WHAT'S THE MATTER? CAN I HELP?

EXCUSE ME. DARLING, CAN OFFER YOU A LIFT?
The next day Mick arrived at the pub dressed more smartly than usual. But he was greeted with an unwelcome sight —

I'LL GIVE YOU A GAME, BUSTER!

OH NO! NOT HIM AGAIN. AND HE'S PLAYING POOL TOO! I'LL TEACH HIM A LESSON!

But as Mick prepared to break-off...

UNGHHH! I'VE MISSED THE WHITE BALL COMPLETELY!

OH NO! LUCY IS WATCHING. MY HANDS ARE BEGINNING TO SHAKE ALREADY.

But Mick’s opponent was showing no sign of nerves —

OH NO! HE'S PLAYED BEFORE.

Ball after ball went crashing into the pockets.

Figure on right is the value of the bribe received

In order to make our above advertisement funny we have included the following innuendo, in reference to the gentlemen's lavatory in our main hall: "WE'VE GOT A BIG ONE!"
It wasn't long until the game was over.

**GOOD GAME. GOOD GAME.**

**BUT I THINK YOU NEED A LITTLE BIT MORE PRACTISE, CHUM.**

**THE ROTTEN GIT. I'LL GET HIM BACK FOR THIS.**

As the evening wore on the situation got worse.

**EXCUSE ME... ERM... MISS. COULD I HAVE A GLASS OF L-LEMONADE... AND... ER... HOW AB-B-BOUT A LITTLE SOMETHING FOR YOURSELF?**

**THAT CREEP'S BEEN BUYING HER DRINKS ALL NIGHT. I'VE GOT TO DO SOMETHING.**

**MAYBE IF I BOUGHT HER ONE...**

**I'LL SEE YOU AT CLOSING TIME THEN!**

**OH NO! HE MUST BE TAKING HER OUT AFTERWARDS. MAYBE IF I CAN GET TO HER FIRST THERE'S A CHANCE I COULD CHANGE HER MIND...**

**OH NO! HE MUST BE TAKING HER OUT AFTERWARDS. MAYBE IF I CAN GET TO HER FIRST THERE'S A CHANCE I COULD CHANGE HER MIND...**

**LET'S FACE IT. I DON'T STAND A CHANCE AGAINST HIM. HE'S TALL, DARK AND HANDSOME, AND HE IS LOADED WITH CASH. I SUPPOSE I'M JUST A LOSER.**
But as he approached the door...

Mick hid upstairs in the ladies toilet and after closing time he emerged to confront Lucy and reveal his love for her.

"Ooh! Is that one of your balls?"
"Mmm! It's really hard.
"See if you can get it into the hole.
"How could they?"
"Here - in the pub!"

"I was going to ask you the same question."
"I think I can explain."
"I'll kill them both!!"

"I asked Roy to give me some pool lessons after closing time because I wanted to be able to impress you, Mick."

"Impress me?"

"That's right. Lucy thought that playing you at pool would be the best way of getting to know you."

"LUCY AND I ARE JUST GOOD FRIENDS"

"Of course I was sexually attracted to her at first but I soon realised that she only had eyes for you. You're a very lucky man."

"That sounds like my cue for action!"

"Yes, and from now on I'll take all my lessons from you, Mick."

"THE END"
A CITY HOLDS ITS BREATH AS THE BATTLE COMMENCES. A BATTLE THAT COULD CHANGE ALL DESTINY...

I am over 97 years old.

Unfortunately, due to the crucial element of surprise involved in operations of this type, the exact timing of any proposed invasion is entirely at the discretion of Operation Overlord Ltd.
DESPITE BEING BORN HALF-MAN, HALF-FISH, young Billy Thomson had made the goalkeepers' jersey at Fulchester United his own...

HAHA HA! WE WIN AND YOU loose, Thomson!

BUT SURELY IT'S THE BEST OF THREE?

THAT'S RIGHT, Fulchester to call...

THE NEXT ONE'S THE DECIDER!

THE NEXT DAY, as the victorious Fulchester side headed for their training ground...

HAVING LED BY A GOAL TO NIL IN THEIR VITAL CUP REPLAY WITH RESERVOIR POKERS, Fulchester had been the victims of a harsh refereeing decision when, in the dying seconds of the game, the ball had burst. The match was abandoned and a coin was tossed to decide the next round. The referee won, and it seemed that Billy Thomson's Fulchester side were out of the cup.

WITH LAST NIGHT'S VICTORY UNDER THEIR BELTS, WE'LL TAKE SOME STOPPING IN TOMORROW'S EUROPEAN CUP CLASH WITH BONGO GDAZA

YES, BUT IN THE HIGHLY CHARGED ATMOSPHERE OF THE ENORMOUS GDAZA STADIUM, the botswana league champions are never an easy nut to crack, std.

WHY DON'T WE TRAIN ON THE PITCH AT FULCHESTER STADIUM?

GREAT IDEA, BILLY!!!

BUT THIS IS THE FULCHESTER UNITED TRAINING CAMP...

NOT NOW IT ISN'T. THIS IS A NEW MULTI-STOREY CAR PARK WE BUILT IT YESTERDAY.

I BOUGHT THE LAND FOR £50 FROM A SUSPICIOUS LOOKING GENTLEMAN IN A SHEEPSKIN COAT.

YES, BUT IN THE HIGHLY CHARGED ATMOSPHERE OF THE ENORMOUS GDAZA STADIUM, the botswana league champions are never an easy nut to crack, std.

THIS IS THE WORK OF GUS PARKER, EVIL BOSS OF OUR ARCH ENEMIES, GRIMTHORPE CITY.

THIS IS THE WORK OF GUS PARKER, EVIL BOSS OF OUR ARCH ENEMIES, GRIMTHORPE CITY.

YES, AND IT LEAVES US WITH NOWHERE TO TRAIN IN PREPARATION FOR TOMORROW'S EUROPEAN CUP TRIP TO DISTANT BOTSWANA

BY THE TIME THE TEAM ARRIVED...

AH, MR BROWN. WE'RE JUST FOUND SOMETHING BURIED ON THE PITCH.

AN UNEXPLODED BOMB IS IT?

NO, I THINK YOU'D BETTER TAKE A LOOK AT IT...

GOOD GOD! WHAT IS IT?

IT'S ENORMOUS!!
SOMEWHERE OVER THE NORTH SEA

IT LOOKS LIKE SOME KIND OF SPACESHIP, TOMMY!

WELL, WHATEVER IT IS, WE'RE NEVER GOING TO SHIT IT IN TIME FOR A TRAINING SESSION AT THIS AFTERNOON!

BUT IN THE DIRECTOR'S BOX HIGH ABOVE THE GROUNDS, MILLIONAIRE POP STAR CHAIRMAN MICK STONES LOOKS ON WITH INTEREST.

HA HA HA! THAT IS THE LEAST OF YOUR WORRIES! BECAUSE BILLY THOMAS HAS PLAYED HIS LAST GAME FOR FULCHESTER UNITED!!

IT WILL BE MILLIONS OF MILES AWAY, AND IN THE RED SHIRT OF DYNAMO MARS!

MEANWHILE, AT GOMERPIKE CITY, EVIL BOSS AUS PARKER IS PLANNING A EUROPEAN BREAK FOR HIS PLAYERS.

IS THAT EVERYTHING, WOLF?

YEAH, I'VE GOT THE PLANE TICKETS, SCARVES, HATS, BASEBALL BATS AND 26,000 CANS OF BEER.

EXCELLENT! DRESSED IN THESE OUTFITS OUR PLAYERS WILL BE ABLE TO MINGLE WITH THE GENUINE FULCHESTER SUPPORTERS.

BUT WITH OUR MINDS POISONED BY ALCOHOL, WE WILL BECOME LIKE ANIMALS, BRINGING THUGGISH, VIOLENCE AND DESTRUCTION ONTO THE STREETS OF GOATA!

HA HA HA! GLUG GLUG GLUG!!

THE NEXT MORNING, FULCHESTER BOARD THE PLANE FOR BOTSLAVIA

THE LADS HAVEN'T TRAINED FOR 2 DAYS, THEY'RE OUT OF CONDITION.

NOT TO WORRY. I TOOK THE PRECAUTION OF HAVING A DOZEN EXERCISE BIKES LOADED ON BOARD. BY THE TIME WE REACH DISTANT BOTSLAVIA, THE LADS WILL BE IN TIP-TOP CONDITION.

SOON FULCHESTER WENT AIRBORNE.

AT THE END OF NINETY MINUTES, IT'LL BE THE TEAM THAT SCORES THE MOST GOALS THAT'LL WIN THE GAME.

IT'S A FUNNY GAME. ELEVEN MEN AGAINST ELEVEN MEN. IF WE GO OUT THERE AND PLAY FOOTBALL, WE'RE IN WITH A CHANCE AT THE END OF THE DAY. WHAT DO YOU THINK, SYD?

$YD? ARE YOU ALRIGHT?

WAIT A MOMENT!!

THAT'S NOT COACH SYD PRESTON! THIS IS A LIFE-SIZE DUMMY, PACKED WITH EXPLOSIVES!!

AND IT'S SET TO GO OFF AT ANY MOMENT!!

SOMEBODY OVER THE NORTH SEA...

IS THIS THE END FOR FULCHESTER UNITED? AND WHAT WILL BECOME OF THE MARTIAN'S PLAN? IS THE UNACCEPTABLE FACE OF BRITISH SOCCER ABOUT TO REAR ITS HEAD ON THE STREETS OF BOTSLAVIA?

DON'T MISS THE NEXT ISSUE!
What have the following people all got in common?
